Client

Clermont Hotel

Start Date

27.03.2023

Finish Date

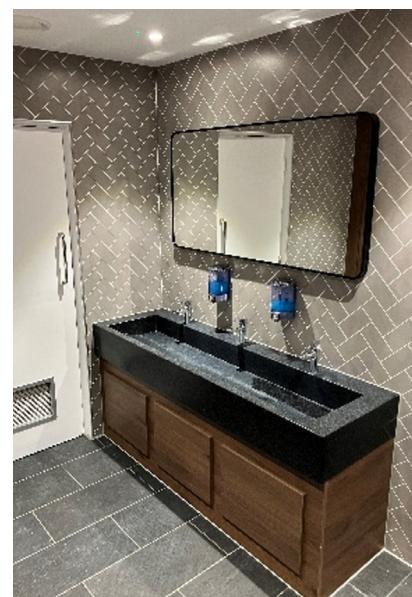

31.05.2024

Value

£65,000.00

Form of Contract

JCT

Project Description

Refurbishment of male and female toilets and removal of disabled toilet to become a storeroom.

Male toilet – new lighting, new wall covering, installation of sanitary ware and furniture, new electric radiator and suspended MF ceiling.

Female toilet – new lighting, new wall covering, installation of sanitary ware and furniture, new electric radiator & new hand dryer.

Challenges Overcome

A Fast track programme ensured quick turn around for the staff users in this busy office. GD worked an early & late shift to ensure the programme target was met.
