GD CONSTRUCTION
(ST.ALBANS) LTD

Overview

For nearly 30 years now GD have been providing refurbishment services in the education and leisure sectors. Our permanently employed site workforce have all the credentials to carry out these works in the sensitive environment that they are. We understand the importance of fully planning, resourcing and executing works within planned time scales and budget particularly in universities and schools. We have completed a full refurbishment Houses Parliament Gym which was a challenging task due to the very high level of security. The University of Hertfordshire, ACS International School Hillingdon, St Georges School Harpenden are just some of the educational centres that GD have worked for. We provide a personalised service, our owner-run company provide a more personalised service. Clients have direct access to our decision-makers, allowing for quicker response times, better communication, and the ability to tailor services to meet specific needs.

Our flexibility and adaptability to changes in project scope, timelines, and budget ensure completing programmes on time. We can quickly adjust our approach to accommodate client preferences or unexpected challenges, offering a more agile and responsive service.
